

Parents,

Each year my 7th grade class actively participates in one of our parishes daily 9am masses. We select a mass that occurs on a day when there is no school. Often we are fortunate that some parents are able to bring their son/daughter (and maybe a few other classmates) and attend the mass. During the mass the students are the readers, altar servers, petitioners, gift bearers, and greeters. There will also be alternates in case of conflicts or illness.

Prior to the class mass we normally meet with Sister Dolores and do a run through of the mass in either the chapel or in the church. We have not yet confirmed the mass with Father Dan and Sister Dolores as I am still reviewing the class schedule and the WJHSD calendar.

I hope that your son or daughter will be able to participate in our mass this year and I also invite all parents, grandparents, siblings, and other students to attend our mass.

Thank you,

Michael Adams

7th Grade CCD
